This is to notify all concerned that in the notice “**Revised Notification of Application for admission to UG courses in VISVA-BHARATI through CUET-UG-2026**” dated 05.01.2026, uploaded on the official admission portal vbadmission.in, an inadvertent typographical error has occurred.

- ◆ On Page No. 7 of the said notice, under the section related to Five-Year Integrated M.Sc. Programme, the examination year has been mentioned as “CUET (UG) 2025”.

The same should be read and treated as “CUET (UG) 2026” instead of “CUET (UG) 2025”.

All other contents of the notice remain unchanged and valid.

This corrigendum is issued for information and necessary compliance by all stakeholders.
